this casebook offers professors and students a doctrinally comprehensive theoretically ambitious and up to date exploration of the treatment of sexuality and gender issues in american public law the fifth edition opens with the historically grounded first chapter from earlier editions which maps the three primary constitutional themes of liberty equality and expression through the end of the twentieth century throughout the book fully integrates the ramifications stemming from the latest court decisions

including *Dobbs v. Jackson Women's Health Organization* and new religious liberty decisions and debates highlights of the fifth edition include a probing of where the court's turn in recent years toward an equal liberty analysis stands in the wake of *Dobbs* including threats posed by the reversal of *Roe v. Wade* and *Planned Parenthood v. Casey* to the doctrinal foundations of *Lawrence v. Texas* and *Obergefell v. Hodges* the increasing prominence of the argument that discrimination against lesbian gay bisexual transgender and queer identified persons constitutes discrimination because of sex as recognized by the supreme court's opinion in *Bostock v. Clayton County, Georgia* interpreting title VII and the related question of how *Bostock* will affect interpretation of the equal protection clause and other antidiscrimination statutes increased coverage of how the first amendment and the religious freedom restoration act are being deployed aggressively by the supreme court to carve out exemptions and allowances for individuals companies and religious institutions to discriminate against women and LGBTQ persons examples include questions such as whether *Fulton v. Philadelphia* limits or partially overrules *Obergefell* by requiring a government program to discriminate against same sex married couples and the extent to which expansion of the ministerial exception undermines workplace protections the book's distinctive fourth chapter introduces the student to natural law theory which is on the upswing in federal courts feminist and other liberal theories and postmodern theories claiming that what many people treat as inflexible and natural are actually contingent socially constructed and dynamic increased coverage of issues related to transgender people in a range of contexts including custody and visitation actions involving transgender parents or transgender children schools and the workplace on athletic teams in the military and in prisons the fifth edition expands upon the book's distinctive integration of sexuality and gender issues and increases coverage of the racialization of these dynamics in American law from its first edition this casebook has prioritized inclusion of the perspectives of transgender and intersex persons as well as lesbians and straight women gay men and bisexuals of different races and ethnicities in addition to the opening segments focused on constitutional law and theory the remaining chapters contain the most comprehensive and deepest coverage available of sexuality and gender issues in the workplace the family schools the armed forces and prisons

how can we understand gender in the contemporary world what psychological differences now exist between women and men how are masculinities and femininities made and how is gender entwined in global politics and debates over trans issues Raewyn Connell and Tristan Bridges leading scholars of gender and inequality answer these questions and more their updated revision provides a sophisticated yet accessible introduction to modern gender studies covering empirical research from all around the world in addition to theory and politics as well as introducing the field gender provides a powerful contemporary framework for gender analysis with a strong and distinctive global awareness highlighting the multidimensional character of gender relations Connell and Bridges show how to link personal life with large scale organizational structures and how gender politics changes its form in changing situations the fifth edition of this influential book brings the statistical picture of gender inequalities up to date offering new close focus case studies of gender research like previous editions it examines gender politics and global power relations but with added discussion around contemporary issues of intersectionality populism and anti gender politics gender based violence trans struggles and environmental change it also speaks at the intimate level about embodied gender and personal relationships gender moves from personal experience to global problems offering a unique perspective on gender issues today how can we understand gender in the contemporary world what psychological differences now exist between women and men how are masculinities and femininities made and how is gender entwined in global politics and debates over trans issues Raewyn Connell and Tristan Bridges leading scholars of gender and inequality answer these questions and more their updated revision provides a sophisticated yet accessible introduction to modern gender studies covering empirical research from all around the world in addition to theory and politics as well as introducing the field gender provides a powerful contemporary framework for gender analysis with a strong and distinctive global awareness highlighting the multidimensional character of gender relations Connell and Bridges show how to link personal life with large scale organizational structures and how gender politics changes its form in changing situations the fifth edition of this influential book brings the statistical picture of gender inequalities up to date offering new close focus case studies of gender research like previous editions it examines gender politics and global power relations but with added discussion around contemporary

issues of intersectionality populism and anti gender politics gender based violence trans struggles and environmental change it also speaks at the intimate level about embodied gender and personal relationships gender moves from personal experience to global problems offering a unique perspective on gender issues today

this anthology focuses on race class and gender from a sociological perspective the readings examine these topics as interlocking categories of experience looking at the way that they shape the experience of persons in different social institutions
